Did You know that

- Ethiopian Cargo & Logistics Services, the largest air cargo network operator in Africa, has been crowned with 'Cargo Airline of The Year' and 'Best Cargo Arline - Africa' at the Air Cargo News Awards 2022.

CELEBRATING 75 YEARS OF EXCELLENCE

Ethiopian Crowned with Two Prestigious Awards at Air Cargo News Awards 2022

Ethiopian Cargo & Logistics Services, the largest air cargo network operator in Africa, has been crowned with 'Cargo Airline of The Year' and 'Best Cargo Arline - Africa' at the Air Cargo News Awards 2022. In a ceremony held in London on 16 September 2022, Ethiopian has been crowned with the two awards in the presence of cargo leaders from across the globe.

Regarding the awards, Ethiopian Airlines Group CEO Mr. Mesfin Tassew said: "We are very proud of the vote of confidence of our global partners and customers, and I would like to thank them for their votes. We give high regards to our cargo operations and strive to provide our customers the best the industry has to offer, and it is a great reward to know our efforts are appreciated. We will continue to be our customers' reliable cargo service provider with unparalleled service excellence."

Global cargo players including freight forwarders, ground handlers, general and cargo sales agents cast their votes online, where the highest votes for 'The Cargo Airline of The Year' and 'Best Cargo Airline - Africa' titles went to Ethiopian. Ethiopian Cargo was a finalist in three categories.

Ethiopian airlines, Geven-Sky Tecno partner to supply Boeing with insulation blankets

Ethiopian Airlines and Geven-Sky Tecno inaugurate a state-of-the-art facility for the manufacturing of Insulation Blankets for Boeing 737 MAX airplanes. Similarly, Ethiopian Airlines, Africa's biggest Airline sets its eyes to expand its manufacturing hub in one of the industrial parks in the country. As indicated on the official inauguration ceremony held on Wednesday, September 21, 2022 in the attendance of senior government officials, diplomats, and the management team of the airlines, the two companies committed to jointly manufacture the products in Italy and Ethiopia, as a supplier to the Boeing Company.

Ethiopian Airlines Inaugurates Flights to Amman

Celebrating the launch of its first destination in China was Ethiopian Airlines Executive Officer Mesfin Tasew, who said the flight will also further strengthen the economic ties between Ethiopia and Jordan.

The inclusion of Amman in Ethiopian route map will increase the cities we serve in the Middle East to 13.

Ethiopian commands the lion's share of the Pan African passenger network operating the youngest and most modern fleet to 130 international destinations across five continents. Meanwhile, Ethiopian Airlines has been chosen as the core investor and partner for Nigeria's new flag carrier, according to media reports.

The operation of a unique success story of Ethiopian in Korea Market

Thanks to the business strategy and quick business decision, we then shifted our operation to cargo by boosting our capacity and transported over 50 Million test kits to Canada and US through pacific. This operation is a unique success story of Ethiopian in Korea Market.

Right after the resumption of passenger service and the lifting of COVID-19 quarantine restriction in April, we made a great milestone recording the second highest number of passengers from Korea to Japan . Incheon Airport awarded us for an excellent performance in network rebooting, contributing to the early recovery of summer peak season operations. Ethiopian was among the 8 excellent performing airlines awarded out of nearly 70 airlines that operate to/from Korea.
